Dear Mr. Ruskey: Pursuant to Government Code section 54953.5 and District Resolution No. 94-2, the tape was destroyed 30 days after the meeting and no transcript of the tape was made. As you know the minutes do not attempt to be comprehensive in stating everything that was said at a meeting. Russell R. Ruiz

REQUEST FOR PRODUCTION OF PUBLIC RECORDS FROM GOLETA WATER DISTRICT FROM JACK RUSKEY

February 15, 2006

The undersigned, Jack Ruskey, as a customer of the District, hereby request the delivery to me of the following document currently in the possession and control of various employees, officers and Directors of the Goleta Water District:

1. An audio copy of the recorded partial transcript of the Special Board of Director's meeting held on November 8th, 2005. The requested portion of the

transcript is to contain all of the comments made by Director Rogers which pertained to the example of a particular agricultural customer who received his meter in the early 90's and who had a history of increased water use over the years and the alleged economic consequences of said water use.

Please contact me either by my cell phone at 213-709-9039 or by email at johnruskey@sbcglobal.net ,as to when partial audio transcript will be available or if there will be any problems or delays in producing the above requested Public Records.

Jack Ruskey
